

8 October 1966

MEMORANDUM FOR : Chief, Personnel Security Division
Chief, Interrogation Research Division

SUBJECT : Polygraphing Male Applicants Who Are Under
Nineteen Years of Age

1. The Director of Security has directed that in the future we do not polygraph any male applicant who is under nineteen (19) years of age until the full background investigation and medical examinations have been completed.

2. At that time the case should be brought to the attention of the Director of Security, the Deputy Director of Security or the undersigned for approval for polygraph testing.
